The Topp Twins are the folk-singing, twin-sister comedy duo of entertainers Jools and Lynda Topp. They are known for their country music influenced style, live shows and television performances. This is the Topp Twins' third picture book and CD set for Scholastic, following the popular *There's a Hole in My Bucket* and *Do Your Ears Hang Low?*

Jenny Cooper lives in Christchurch and has illustrated many picture books, including the very successful *There's a Hole in My Bucket* and *Do Your Ears Hang Low?* – also collaborations with the Topp Twins. She has also illustrated Scholastic NZ titles *Alphabet Squabble*, *Down in the Forest*, *Shut the Gate*, *On a Rabbit Hunt* and the *Pick'n'Mix* anthologies. Her recent illustrated novels are Vince Ford's *Scrap* series.

This favourite traditional children's song, which is sung in schools and preschools around the country (and sometimes in the car on family holidays!), receives the Topp Twins / Jenny Cooper treatment, in the style of the bestsellers *There's a Hole in My Bucket* and *Do Your Ears Hang Low?*

- Includes CD of the song recorded by Kiwi icons The Topp Twins, which will bring a chuckle to adults and children alike
- Hilariously illustrated by popular children's book illustrator Jenny Cooper
- Bound to become a family favourite!

Praise for *There's a Hole in my Bucket* and *Do Your Ears Hang Low?*

"*There's a Hole in my Bucket* is a perfect combination of music, lyrics and illustrations from an outstanding team."

— Zac Harding, Children's Librarian, Christchurch City Libraries

"Liza is the ultimate in grace, performing her water dance with sensuous pirouettes. (I had thought this the funniest page in a NZ children's book until I saw the hilarious endpapers.)"

— Trevor Agnew, *The Source*

"There is a great sense of fun in the illustrations and music tracks for *Do Your Ears Hang Low?* to encourage children to sing, rather than read, this picture book."

— Kids' Book Review

"The gorgeous illustrations, full of humour and character, are a stand-out feature of this appealing book and CD package."

— Bookrapt
