## Duck Goes

Juliette MacIver & Carla Martell

WOOF! says Dog.  
MOO! says Cow.  
CLUCK! says Hen,  
and Duck Goes . . . meow.

A little yellow duckling is amongst animal friends who are all sure of the sounds they make: hiss, neigh, moo, cheep, cluck and oink. But when Duck goes ‘meow’, the other animals say no, that is wrong, try again ... then Duck’s mama arrives, and boy, do they get a surprise!

- Inspired by an amazing true story from YouTube: <https://bit.ly/3EZFxgd>
- Young children will have fun joining in with all the animal sounds, and will delight in Duck’s ‘meow’
- The colourful palette of Martell’s quirky artwork will charm all ages
- A perfect read-aloud

### Praise for Juliette MacIver and Carla Martell

“*Grasshoppers Dance* is a marvellous read-aloud nonsense book, in the best sense of the word ‘nonsense.’ It unbridles the imagination and lets it run free.” — *The Source*

“The small details and whimsy in the illustrations (Tulip’s vibrant clothes, her toys and accessories) capture her adventurous personality, and her emotions in eyes and facial expression [...] For home or school, I recommend making space for this wee gem.”  
— *Magpies*
