The whiffy Wonky Donkey is back, and this time he is playing an outrageous bad Dad joke on Dinky

*And as Wonky listened, his face was deadpan,
but he was devising an outrageous plan!*

Dinky Donkey loves hooved animals so much, Wonky Donkey poses the question to her: "Are you hoof-hearted?" Hilarity ensues as Dinky innocently enquires of other members of her family if they are 'hoof-hearted', much to the delight of her dad.

- Much anticipated fifth book to follow *The Dinky Donkey*, *The Grinny Granny Donkey*, *Wonky Donkey's Big Surprise* and the #1 bestselling global chart-topper and Internet sensation, *The Wonky Donkey*, which now has over 10 million copies in print
- A read-aloud like no other. Kids will get a kick out of Wonky's tricky question from the second it is read out loud – be ready for guffaws of hee-haw laughter!
- Cowley's heart-warming, hilarious illustrations accompany Craig Smith's entertaining story, releasing simultaneously in NZ, Australia, USA, Canada and the UK
