## Don't Wake the Dingo

Sally Morgan

Illustrated by Sarah Boese

### Sales Points:

- Best-selling Australian author
- Aussie animal characters and a subtle underlying theme about how jealousy can make trouble between good friends
- Beautiful pictures by the illustrator of *A Feast for Wombat*.

High in the rocks in his soft sandy den, one lonely dingo dreams of meeting new friends. During the storm, animals seek shelter in the den, being very careful not to wake the dingo!
