The Mummysons must figure out who is trying to destroy the Freak Street Park, before everyone's picnic plans are completely unravelled. When Freak Street Film Studio takes an interest in the Robotsons' homemade robot monster, the family need to stop things getting completely bent out of shape. And the Spysons take on their most challenging undercover operation yet, when the rarest bird in Freak Street goes missing in the middle of the night.

But that's nothing out of the ordinary, right?

Welcome to Freak Street, a street like any other . . . until you take a closer look!
